SPORTS & CONSUMER PRODUCTS

FIG. 5

CORE IP SERVICES

PATENT PROSECUTION

End-to-end patent preparation and prosecution worldwide.

PATENT LITIGATION

Aggressive representation in federal court, PTAB proceedings, and appeals.

PATENT PORTFOLIO STRATEGY

Build, manage, and optimize patent portfolios that support competitive advantage and business growth.

TRADEMARK PROTECTION

Comprehensive trademark services to build, protect, and defend your brand.

LICENSING & TRANSACTIONS

Commercialize your technology through strategic licensing and technology transactions.

IP DUE DILIGENCE

Thorough IP due diligence for mergers, acquisitions, investments, and financings.

FREEDOM-TO-OPERATE OPINIONS

Identify potential risks and design around them with confidence.

USPTO TRACK ONE™

Expedited examination for time-sensitive patent applications through the Track One Prioritized Examination Program.

TECHNICAL DEPTH

Deep understanding of complex technologies across industries.

BUSINESS PERSPECTIVE

Practical counsel aligned with your commercial goals.

STRATEGIC ADVANTAGE

Thoughtful IP strategies that protect, leverage, and grow your most valuable assets.

PROTECTING INNOVATION.

ADVANCING BUSINESS.

BUILDING TOMORROW.

INTELLECTUAL PROPERTY SOLUTIONS THAT ADVANCE YOUR BUSINESS

We combine technical excellence with business insight to deliver intelligent IP strategies that protect your ideas, reduce risk, and build enterprise value.

CORE IP SERVICES

PATENT PROSECUTION

End-to-end patent preparation and prosecution worldwide.

IP DUE DILIGENCE

Thorough IP due diligence for mergers, acquisitions, investments, and financings.

USPTO TRACK ONE™

Expedited examination for time-sensitive patent applications through the Track One Prioritized Examination Program.

PATENT ESTATE GENERATION

We help startups and growing companies build strong, defensible patent estates that attract investment, secure market position, and drive long-term value.

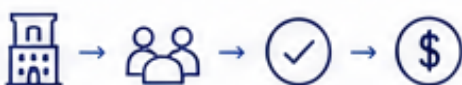

Inventions Identified → Patents Filed → Estate Protected → Value Created

IRC SECTION 1202 (QSBS) TAX ADVANTAGE

We guide founders in structuring their company for Qualified Small Business Stock (QSBS) eligibility to potentially exclude up to 100% of capital gains on the sale of QSBS.

Structure Company → Meet QSBS Requirements → Hold Stock 5+ Years → Tax-Advantaged Exit

WHY CLIENTS CHOOSE US

Attorney with extensive IP and litigation experience

Technical understanding across a broad range of industries

Strategic, business-focused legal counsel

Domestic and international IP protection

Responsive, personalized client service

Great IP is more than a patent. It's a strategic asset that drives value, opens doors, and shapes the future.
